Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Saturday 09 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy drizzle overnight, but dry with sunny spells on Sunday.

This Evening and Tonight:
It will cloud over this evening with some patchy drizzle at times during the early hours. However, it will become dry with clear spells in the north and northwest by morning, giving a chilly end to the night there. Minimum temperature 7 deg C (45 deg F).

Sunday:
After a cloudy start for many, it will soon brighten up from the north with long sunny spells quite widely in the afternoon. Feeling fresh in the breeze. Maximum temperature 18 deg C (64 deg F).

Outlook for Monday to Wednesday:
Probably on the cloudy side again to start the working week, with the odd spot of rain possible, but becoming drier and brighter towards midweek.
